Driving Directions

From the east and from the west --

Take 96 (or whatever road will get you) to 131 and follow the above directions *or* exit 96 at the East Beltline (#38) and go north until you hit Rogue River and *then* follow the above directions.

From the north and from the south --

Take US 131 to the West River Drive exit. Go *east* on West River Drive to Northland Drive (aka East Beltline, aka Wolverine) (if you go west on West River Drive you will end up in Comstock Park)

Turn left (north) on Northland Drive to the next stoplight which is at Rogue River, going west (7 Mile Rd if you were to go east, which you *don't* want to do.)

Turn left onto Rogue River -- go about 3 carlengths and turn right (north) onto Kuttshill. North Kent Presbyterian is about 1/4 mile on the left.
