

EMERGING MINISTRIES GRANT APPLICATION

Presbytery of Lake Michigan Outreach Ministry Team

The purpose of the Outreach Grant program is to provide seed money for churches wanting to try new outreach initiatives in their community. The provisions of these grants are as follows:

1. Grants of up to \$1,000.00 are given one per church for an individual project.
2. A church may apply for additional grant monies for the same project over the next two years, but an initial grant does not guarantee future funding.
3. Churches will normally be expected to contribute toward the project.
4. Grants are to be used for programs that expand the church's ministry. This includes (but is not limited to) ministries that reach out to draw new members, nurture new Christians, provide new local mission or extend the caring witness of the church to its community.

Church name _____

Address _____

Phone _____ Fax _____

Email _____

Contact person _____ Phone _____

Project title _____

What is the purpose of your project?

What is the rationale for your project?

Who is served by your new ministry initiative?

Who will be responsible for this project?

How will it be evaluated?

Enclose a budget listing projected costs and anticipated sources of funding. Be sure to indicate the amount to be funded by the church.

Has your church received funding before from the Outreach Ministry Team or the former Cabinet on Mission, Witness and Stewardship? yes no If yes, please provide this information:

Project Title	Year Funded	Amount
